Hi Jill,

Thanks for checking in. Lucita and I will be leading the briefing in Douglas's and Sarah's absence. We will kick it off and walk through the briefing paper. Feel free to fill in any gaps you hear.

Good morning Douglas and Valois,

I'm checking in before the Dewey Burdock meeting to see what the HQ staff role should be. Because of GWPC and compressed days, I haven't met with Bill since last week. If there is something in particular HQ staff should do other than open the phone line and observe, please let me know. I don't want to fail anyone's expectations. ☺

Thanks, Jill
